PROFILE

A final-year Information Systems student at Universitas Singaperbangsa Karawang with experience in front-end development and cloud engineering. Skilled in building responsive web applications using React.js and managing cloud resources with Google Cloud Platform (GCP). Looking for opportunities as a Full Stack Developer to further develop my skills and contribute to impactful projects.

EDUCATION

Universitas Singaperbangsa Karawang

Sept 2021 – Present

Bachelor of Information Systems

- **GPA:** 3.88/4.00 
- **Supporting courses:** JavaScript, PHP, Java, Object Oriented Programming, Software Development Life Cycle.

Bangkit Academy

Aug 2023 - Jan 2024

Cloud Computing Cohort

- **GPA:** 95.8/100 
- **Supporting courses:** Cloud Computing Foundations, Google Cloud Platform, Computer Networking, Web Programming, System Administration.
